# Human Lactation in the LGBT Community

## Session 1:

Inclusive Language  
& Supportive  
Practices

Open to All WIC Staff &  
Community Partners

Learning objectives:

- 1) Understand how inclusive language opens lines of communication with the LGBTQIA+ community
- 2) Become familiar with culturally sensitive scripting that can be used in antepartum, intrapartum, and postpartum interactions with LGBTQIA+ patients
- 3) Integrate inclusive language in your current practices to create safe spaces for LGBTQIA+ families
