## The Leave Revolution: A Strategic Approach to Paid Family Leave and Sick Days

Katie Wutchiett (she/her), Senior Staff Attorney in the Work and Family Program and for Project SURVIVE, will offer in-depth insight on workplace protections such as paid leave, accommodations, and paid sick days. Her session will focus on empowering families by equipping them with knowledge about their rights, benefits, and resources to navigate the challenges of transitioning into parenthood at work.

Katie represents workers who are pregnant, new parents, caregiving for family, or survivors of domestic violence or sexual assault in enforcing their rights to paid leave, accommodations, and fair treatment at work, so that they can care for themselves and their families without sacrificing their jobs or income.
