Lauren Sweeney

Learn about the powerful principles of Radical Candor—the ability to care personally while challenging directly. Participants will learn how honest, respectful communication builds trust, strengthens accountability, reduces workplace stress, and creates healthier team cultures.

HR.1 Panel with Andrew Cheyne & Michelle Baass

Explore the current status and future outlook of HR.1, also known as the Big Beautiful Bill, in California. Andrew Cheyne and Michelle Baass will provide updates on legislative developments, key challenges, and opportunities for advocacy.

Blair Stowe

Learn how leaders can support their teams while fostering sustainable compassion and effectiveness in our work with WIC families. Together, we'll create a Trauma Informed roadmap for healthy, compassionate leadership that benefits both staff and the families we serve.
